

## Homeowner's Guidelines

What you do can be just as important as what you do not do. Do not wait to call K-tech Kleening Systems for help. Here are a few guidelines to help you.

### DO NOT:

**Use a home vacuum**  
as electrical shock or equipment  
damage may occur

**Walk on wet carpeting**  
unnecessarily to minimize damage

**Increase or decrease  
temperatures**  
unless instructed by  
restoration technician

**Stay in the property**  
if you have any of the following:  
respiratory problems, are under  
the age of 2 or over 60,  
are pregnant, or have weak  
immune system

**Do not directly  
handle any  
contaminated items**  
in a loss involving sewage
